MARINE CORPS BASE BULLETIN 5600

From: Commander  
To: Distribution List  
  
Subj: 2003 ANNUAL DIRECTIVES REVIEW

Ref: (a) SECNAVINST 5215.1C

Encl: (1) Annual Review

1. Purpose. To conduct the 2003 annual review of command-sponsored directives per the reference.

2. Concurrence. This Bulletin was coordinated with and concurred in by the CG MCCDC.

3. Background

a. The reference requires that commanders of Marine Corps activities ensure directives issued under their cognizance are reviewed annually. It further states that directives which are 7 years old or older must be revised or properly justified as to why a revision is either not required or not possible.

b. The month of October has historically been designated as the time each year in which activity heads at MCCDC and MCB, Quantico review directives over which they have cognizance.

4. Information

a. The enclosure lists current directives and identifies the applicable sponsor for each. These directives must be reviewed and the enclosure annotated with the applicable information listed below:

(1) Current. Order is current and valid as written; therefore, annotate column with "Yes."

(2) Change Due. Order is basically current, but needs minor changes. Within this column provide date when proposed change will be submitted to the Base Adjutant.

11 Sep 03

(3) Revision Due. Order requires major changes. Within this column provide date when proposed revision will be submitted to the Base Adjutant.

(4) Cancel. Order is no longer required. Provide justification as to why the directive should be canceled, e.g., combined with another order, along with the cancellation date.

b. Prompt and thorough review of each directive by all sponsoring activity heads is mandatory. A "yes" has been placed by those directives which are more than 7 years old and must be revised immediately, or provide proper justification as to why a revision is not applicable at this time.

5. Action

a. AC/S G-1 (Base Adjutant)

(1) Act as overall coordinator for the annual directives review and provide assistance as required.

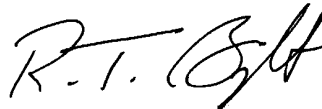

(2) Monitor suspense dates received from addressees and ensure prompt and efficient processing of revised directives.

b. Addressees

(1) Conduct a thorough review of the directives listed in the enclosure to determine their necessity, accuracy, and consonance with current policies of the CG MCCDC and Comdr MCB.

(2) Annotate (per paragraph 4a) and return the enclosure, with endorsement, to the Base Adjutant (B 013) no later than 31 October 2003.

(3) Provide the Base Adjutant (B 013) with immediate revisions of directives under your cognizance which are more than 7 years old, or provide proper justification as to why a revision is not possible at this time.

R. T. BRIGHT  
Chief of Staff
